It's CHRISTMAS TIME again!!
 This year, not only do we have our 4 Great little Christmas pcs. But we also have our NEW, exciting, Chris Roberts-Antieau 20 yr. retrospective **BOOK**. Available for you to @order as the ultimate CHRISTMAS gift! The book will be released in Feb. '08, but if you order now, we will send a GIFT certificate in time for the holidays! Chris's beautiful, full color retrospective book will be presented in a box set (designed by Chris), and includes an original, framed, stitched applique piece of art specially created for this limited edition book. (Quantities are limited - so please order quickly to ensure your copy...) See the web-site for more book info, and use **ORDER FORM ON BACK**.
 * This is our 5th year for offering our "Little Christmas pcs."! The pcs. are a little smaller, and a little less expensive and I love celebrating Christmas this way with all of you! (They are exclusively available through this newsletter and the website...)
 * We are also bringing back our boxed Christmas cards (see website) and highly recommend our "INSTANT GRATIFICATION" page on the website where you can purchase **GREAT** pieces from past collections and have them shipped **THE NEXT DAY**!! (Great for husbands or procrastinators!!)
 * Thank you all again for another GREAT year! If you are traveling to Baltimore, Md., be sure to visit the **FANTASTIC AMERICAN VISIONARY ART MUSEUM** - I am honored to have been selected to have 5 pcs. hanging in the current show - "All Faiths Beautiful". We also had an incredible time showing the work at the BRIDGE ART FAIR in London, England!
 * I hope your season is MERRY and bright, and thank you again!
